SECRETARY REPORT; MMB Colleen, Kathy 2nd. passed: Accept minutes from the May meeting as written and transmitted.

TREASURER REPORT: Colleen reported that we had approximately \$6,000 in checking and \$5,000 in savings. Colleen submitted the income and expense comparisons for the last two trials.

EQUIPMENT COMMITTEE REPORT: Colleen took the dog walk off of the brackets and attempted to repair the brackets that held the walk and teeter boards. She said she has temporarily fixed them; however, something more permanent will have to be done eventually. She also cleaned all the tunnels from the last trial.

WEB COMMITTEE REPORT; Kathy Allen said that she obtained the necessary information to update the calendar on our web page. Kathy will work on this during the next month and see what else can be accomplished through her access. The board discussed putting the board members e-mail addresses on the site, so people have someone to contact once they find our site.

TRIAL COMMITTEE REPORT: Tracie reported that she has secured the timer for the next trial. She has also submitted the 2009 dates for our trials to NADAC. She will have to check with the judge for the fall trial, as her name has yet to appear on our trial information.

OLD BUSINESS: Lisa Vaughn was voted in as a new member.

NEW BUSINESS: Courtney Dickerson, a returning member of the club, was also voted back in as a member. And her mother, Sharon Kilbourne had her first reading as a new member.

Our annual membership meeting and Bar-B-Q will be on JULY 16, 2008 at the Valley Canine Training Center at 7PM. Finger foods and snacks were planned. Colleen will bring a couple of the clubs tables. In a couple of weeks, a list will be circulated asking members to bring something.
